FAQs

- 1. Fees for report and consent applications are set by legislation and are not refundable regardless of the outcome of your application.
- 2. Fees are payable per Regulation you are applying to vary.
- 3. The Relevant Building Surveyor (RBS), appointed to issue the building permit is the appropriate person to determine whether Report and Consent is required. Council suggests the plans be fully assessed by the RBS prior to making an application.
- 4. A Report and Consent application is subject to assessment in accordance with Section 188 of the Building Act 1993. Further information may be requested by Council to assist in making a decision regarding this application.
- 5. Council does not have the statutory power to issue a Report and Consent after a Building Permit has been issued for the building work and/or after the building work has commenced.
- 6. Minister Guidelines M/G 12 are available from the <u>VBA website</u> to assist in addressing the details of your variation.
- 7. The minimum response time for an application is 3 weeks.

Note: Your personal information is being collected by City of Ballarat for the purpose of your processing your Report and Consent application in accordance with the *Building Act 1993*. Your information will be stored in Council's Customer Database and used to identify you when communicating with Council and for the delivery of services and information. For further information on how your personal information is handled, refer to Council's Privacy Policy at www.ballarat.vic.gov.au

DETAILS OF YOUR VARIATION

Regulation 80 - Wall within 200mm of a boundary or carports within 1m of boundary do not comply

| Step 1. Please provide the details of your variation | |
|---|-------------------|
| ☐ Reg 80 (3) Proposed total wall length including length of any existing wall or carport of boundary Allowable total wall length | close to the |
| ☐ Reg 80 (4)(a) Proposed average wall height, measured from natural ground level | |
| ☐ Reg 80 (4)(b) Proposed maximum wall height, measured from natural ground level_ | |
| Step 2. Please provide plans detailing non-compliant dimensions | |
| Step 3. Please provide reasons to support your request | |
| Note: Council's approval of a variation is determined by its compliance with the Ministe fields below address each of the decision guidelines that Council must consider in decide approve or refuse your variation request. | |
| The objective of Regulation 80 is to ensure that the location, length and height of boundary respects the existing or preferred neighbourhood character and limits amenity of existing dwellings. | |
| Please provide your reasoning on how your variation will meet ALL of the following three | e (3) criteria: |
| The location, length and or height of the wall(s) will not result in a signification amenity of existing dwellings on nearby allotments; and | ant impact on the |
| | |
| b) The setback is consistent with a building envelope, if one has been approx planning scheme or planning permit and or specified in an agreement und the <i>Planning and Environment Act 1987</i> ; and | |
| | |
| c) The location, length and height of the wall is consistent with any relevant is character objective, policy or statement set out in the relevant planning so | |
| | |

AND at least **one** of the following criteria:

| d) | prevailing location, length and or height of the wall will be appropriate taking into account the prevailing location, length and or height of boundary walls of existing buildings on nearby allotments; or |
|----|--|
| e) | The location, length and or height of the wall will be more appropriate taking into account the preferred character of the area, where it has been identified in the relevant planning scheme; or |
| f) | The slope of the allotment and or existing retaining walls or fences reduce the effective height of the wall; or |
| g) | The wall abuts a side or rear lane; or |
| h) | The increased wall height is required to screen a box gutter. |

Step 4. Impacted adjoining property owners must be consulted as part of a Report and Consent Application for this regulation.

Download as many <u>Adjoining owner/s comment forms</u> as required from our website. Make sure you complete the 'Details and location of proposed building works' table at the top of the form. You will need to supply the adjoining owner/s with the partially completed comment form and copies of the plans of your proposed building works.

You can request adjoining property owner details through the <u>City of Ballarat Website</u> for Report and Consent purposes.

We recommend you send the comment form and plans via registered post. You can then provide The City of Ballarat with a copy of the documents to the adjoining owner and the registered post tracking details as part of your application. This will serve as proof of attempt to consult.

Note: The documents must be signed by the legal property owner, tenants are not legal property owners.

ADJOINING OWNER/S COMMENT FORM

(BUILDING REGULATIONS 2018, PART 5)

Q. Why am I receiving this form?

A. An adjoining property owner is applying to the City of Ballarat to vary a Building Regulation for siting under Part 5 of the Building Act 1993.

Under Section 188 of the Building Act 1993, Council must provide adjoining property owners with an opportunity to view the plans and provide comment regarding a proposal that may impact them.

Please work through the steps below to be consulted regarding this application.

Step 1. Review the details in the table below

The details below have been provided by the applicant applying for Council Report and Consent and will help inform you about the impact to your property.

| Details and location of proposed building works (Applicant to complete) | | | | |
|---|-------------------------|-----------|--|--|
| Street No. | Street Name | | | |
| Suburb | | Post code | | |
| Nominate whic | h Building Regulation/s | | | |
| Briefly describe | e the variation | | | |
| Why are you applying to vary? | | | | |
| | | | | |
| | | | | |
| | | | | |
| I have attached the following plans | | | | |

Step 2. View and sign the provided plans

Make sure you have been provided with all the plans listed in the proposed building work section above. Review and sign each plan, even if you object. This way we can check you have been provided with the same information as Council.

We suggest you keep a copy of the plans and this document for your records.

Step 3. Do you consent or object to the proposed siting variation/s.

| I/we, being the affected adjoining property owners, have viewed the plans and documentation of this application to variation to the Building Regulations 2018, and |
|---|
| ☐ I/we consent to the proposed siting variation/s. |
| ☐ I/we object ** to the proposed siting variation/s. |
| All objections must provide details of the reasons for the objection to the siting variation: |
| |
| |
| |
| |
| **For your objection to be considered, this comment form and the signed plans must be returned within 10 business days of receipt and be signed by the legal owner of the impacted property. Note: All comments received by Council are given due consideration as part of the decision-making process. The fact that an adjoining owner objects does not compel Council to refuse an application. Council will carefully consider the application against the Minister's Guidelines, site conditions and other factors. |

Notification of the City of Ballarat's decision will not be conveyed to adjoining owners.

Step 4. Complete the declaration below

| Declaration | | | | | |
|---|--|------|-------------------------------|--|--|
| I declare that I am the legal owner of the affected property listed below and I am aware that the proposed works are designed outside of the siting requirements prescribed by the nominated Regulation/s of the Building Regulations 2018. | | | | | |
| Your signature | | Date | Click or tap to enter a date. | | |
| Your full name | | | | | |
| Your impacted property address | | | | | |

Step 5. Return a copy of this form and the signed plans via one of the methods below

- Scan and email the documents to <u>building@ballarat.vic.gov.au</u> or
- Bring the documents into The Phoenix Building 25 Armstrong St Sth, Ballarat from 8.15am 5pm Monday to Friday
- Alternatively, you may have been provided with a reply-paid envelope or the applicant may return them for you.

Note: Your personal information is being collected by City of Ballarat for the purpose of collecting property owner comments for a Report and Consent application in accordance with the Building Act 1993. Your information will be stored in Council's Customer Database and used to identify you when communicating with Council and for the delivery of services and information. For further information on how your personal information is handled, refer to Council's

Privacy Policy at www.ballarat.vic.gov.au
